

Potent Compound Certification

This is to certify that the facilities (indicated below), systems and programs of

EXCELLA GMBH & Co. KG

have been reviewed and evaluated, and it has been determined that they meet current industry standards and practices in the safe manufacture of products containing potent active pharmaceutical ingredients.

This Certification applies to the manufacture of oral solid dosage forms in the following areas of the Feucht, Germany facility: HCF 2 (Mfg. production area), Formulation Development area, QC Analytical Labs and the Warehouse Sampling area.

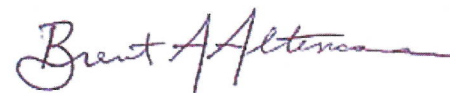

This 20th day of September, 2017.

Martin W. Axon, CFFOH

SafeBridge

CONSULTANTS, INC.

Brent A. Altemose, CIH

This Certificate is valid for a period of two years and will require Excella GmbH to submit to an onsite assessment from SafeBridge on or about two years from the above date.
